Medicine  
Foundation®  
research → education → patient care

**Your Partner in Research**

# EMF Emergency Medicine Foundation®

research → education → patient care

**Theresa Tran, MD, MBA, FACEP**

Chair, EMF Board of Trustees

**Jon Mark Hirshon, MD, MPH, PhD, FACEP**

Chair-Elect, EMF Board of Trustees

# + Who We Are

Mission: advancing emergency medicine through research and education.

+ *Founded* in 1972

+ *Over* \$21 million in funded research

+ 700+ *grantees have benefited*

# + Why EMF Matters

Directed Research Grants are a powerful tool—they let us respond quickly and strategically to urgent challenges in emergency medicine.

Your support helps us grow our research infrastructure. These partnerships fund more than just grants—they create opportunities.

- + Drives Evidence-Based Practice
- + Pattern Recognition
- + Addresses RealWorld Challenges
- + Amplifies Impact Through Strategic Partnerships
