

Jeanmarie Perrone, MD, FACMT

Jeanmarie Perrone, MD, FACMT is the Director of the Division of Medical Toxicology and is a Professor of Emergency Medicine at the Perelman School of Medicine at the University of Pennsylvania. She works in the ED at the Hospital of the University of Pennsylvania and is a consultant toxicologist for the Philadelphia Poison Center. She has won numerous teaching awards for mentoring students and residents in emergency medicine and has been inducted into the Penn Medicine Academy of Master Clinicians. She has focused her research and advocacy to addressing the opioid epidemic and educating providers and engaging patients with opioid use disorder into treatment from the ED (buprenorphine warm handoff) and the hospital. She has lectured nationally and internationally and published in NEJM and JAMA and served on several pivotal FDA Drug Safety Advisory Committees.
