11:06AM- – Dr. Wang gave opening remarks

11:08AM-ACEP 2020 Section Meeting minutes were approved

11:09AM-11:15AM- Dr. Haddock provided a Board Liaison update. Dr. Haddock asked for Section members to submit feedback on ACEP’s strategic plan and updated the group on ACEP’s workforce task force.

11:16-11:19AM- Dr. Masha Rosenthal gave a Program Development Subcommittee update. She explained the Subcommittee has been highlighting different modules on providing palliative care in the ED.

11:20-11:22 AM-Dr. Daniel Khodabakhsh provided a Clinical Skills and Education Subcommittee update. The Subcommittee is creating a “Palliative Pearls” repository and the pearls will be featured quarterly in ACEP Now.

11:22-11:27 AM-Dr. Naomi George provided a Research Subcommittee update. The Subcommittee has created an EMPRN survey on current palliative care trends in the ED. The

survey will go out in 2022. The Subcommittee has also worked with SAEM to create a Palliative Expert database which will launch in 2022.

11:27-1130AM-Dr. Goett provided a Section Grant update. Via the grant, the Section developed education modules for pre hospital palliative care. Prodigy EMS is housing educational modules which are CAPCE certified.

11:30AM-11:54AM- The group gave individual introductions.

11:55AM-12:39PM- The ABEM competencies document was reviewed by the group, Dr. Wang noted suggested changes.

12:40-1PM break out sessions

1PM- Meeting adjourned.
