A. Education and business – April and July during GEMS meeting

1. April Webinar - Talking 'Bout my Generation.

- ❖ Moderate - Maura (2 minutes)
- ❖ Keynote talk: Katren Tyler - chronobiology of aging and lessons learned from other industries - 15 minutes
- ❖ Panel discussants with brief (5 minute/speaker: 15 minutes total) presentation
- ❖ Speaker A: TBA - practice specific policy for aging physicians - crowdsource via GEMS - if no-one steps forward, could crowdsource through the workforce group, or ask Stephen Meldon to present.
- ❖ Speaker B: TBA - intersection with quality assurance - crowdsource via QA group
- ❖ Speaker C: Sandy Schneider - avoiding agism and paternalism in departmental policies (back up - Rich Boggs)
- ❖ =<8 minutes of structured questions for panelists (2 min or less/speaker)
- ❖ 10+ minutes QA from audience
- ❖ this might be a great way to leverage social media - we could send out surveys via Twitter - would could personalized by generation and ask about shift preferences/circadian rhythms, we could ask questions about policies at ppls home institution, etc.
- ❖ Phil to connect Maura and Katren with JHMI faculty members who is helping outline Hopkins EM aging workforce considerations.

B. Co-advertise with ACEP workforce section

C. Nicole – need to start thinking about ACEP22 pre-conference

### 2. July - collaborate with GEDC on educational webinar (July 18, 2022?)

1. Phil and Luna offered to help with webinar

2. Maura Kennedy highlighted on EMRAP three months ago!!!!

### 3. March Newsletter

- A. Content written by Nicole & Luna:
  - i. VA highlight, accreditation update, upcoming webinars (TBD)
  - ii. Will promote April GEMs webinar

### 4. ABEM

- A. Kevin: West Health- increase core geriatric education, engaging in conversations with ABEM

Key Advances for ABEM – GeriED Guidelines could feed into this; Chris Carpenter is part of the group for key advances.

- 1. ABEM Model (to change this big meeting in May)- Lauren to presented data. Mapped geriatric domains from ABEM Model.
- 2. ITE exams (based on model) – what are they calling “geriatric” – Lauren to review
- 3. New ABEM Modules for attendings – (multiple year process; already planned out) Mapped Tess Hogans Domains to ABEM Model

### 5. GEM Section Meeting Schedule Changes

- A. Using Zoom, occurs every third Monday of each month except for the January.
- B. Meetings moving forward will be changed to 1:00 CST/ 2:00 EST. Conflicts with this time. Discussion of additional times and days of the week.
- C. Amber to create a Doodle poll to send out for additional Monday times and one for what day of the week works best for everyone.

### 6. GEMS Engagement

- A. Great projects to get people involved in the section? Maybe a series of quick polls on the discussion boards?
  - ❖ Chris Carpenter Twitter account titled GEMs. Rachel can post Twitter polls. Should we have a list of topics to engage? Target to residents. Nicole to look for previous Twitter ideas and send to Rachel.
