1. Provide subject matter expertise on potential changes to membership categories, rates, benefits, and policies and recommend innovative options for recruiting and retaining members and adding value to membership.
2. Expand system for member recognition and evaluate necessary changes to the FACEP program based on Board input.
3. Increase retention of residents and young physicians and recruitment of medical students into emergency medicine.
4. Assist with membership recruitment and retention campaigns and serve as a champion of ACEP membership to other physicians.
5. Improve the value of ACEP's sections, particularly those pertaining to underrepresented groups, and Member Interest Groups (MIGs) and provide recommendations to the Board of Directors, including selecting recipients of annual section awards and formation/sunsetting of Sections according to section policies.
6. Initiate discussion and solicit input and engagement by ACEP members via engagED community interaction, particularly the all member community.
