

American College of  
Emergency Physicians®

ADVANCING EMERGENCY CARE 

# POLICY STATEMENT

---

Approved January 2024

## *Assignment of Benefits*

---

Reaffirmed January 2024,  
February 2018, April 2012

Originally approved  
April 2006

The American College of Emergency Physicians (ACEP) believes that a valid assignment of benefits should be honored by all payers. Compliance with a valid assignment of benefits is in the best interest of the patient, the payer, and the medical provider for the fair and efficient payment of medical claims.
