

American College of
Emergency Physicians®

ADVANCING EMERGENCY CARE 

POLICY STATEMENT

Approved October 2020

Worldwide Nuclear Disarmament

Reaffirmed October 2020

Revised April 2014

Reaffirmed October 2008,
October 2002

Originally approved October
1998 from a Board Motion
approved April 1982

The American College of Emergency Physicians adds its voice to other organizations and individuals urging our government to continue to seek international nuclear weapons control, reduction, and eventual disarmament.
