

Service to Section

Based on activities held from August 1, 2024, to July 15, 2025

This award required the section to complete a nomination form.

The **Service to Section Award** now features a tiered structure to ensure more equitable recognition across sections of all sizes. Three (3) sections will be honored each year based on the following tiers:

- Small Sections: 100–300 members
- Medium Sections: 301–700 members
- Large Sections: 701+ members

Eligible activities may include one or more of the following:

- Educational offerings
- Unique projects or avenues to provide member value
