

ACEP Resource Guide

WHAT YOU NEED ON YOUR JOURNEY

**Clinical
Education**

**Practice
Enhancement**

**Career and
Resident
Toolkits**

The path to becoming, and remaining,
an emergency physician is an arduous
one. Full of exams, continuing education,
recertification, state requirements,
and emerging technology.

Regardless of where you are in your
career, ACEP has the educational tools and
resources that you need most.

We are thankful to be on this journey with
you and remember – ACEP is always
committed to working for you, with you and
beside you. Our goal is to help you be the
best physician you can be.

Thank you for being a
MEMBER

CLINICAL EDUCATION

BE PREPARED FOR THE BOARDS WITH PEER Suite of Products

The American Board of Emergency Medicine shifted recently to the MyEMCert certification process, unsettling the ground beneath us.

Help steady your footing with ACEP's PEERcert+, designed to align specifically with the format of the new recertification process. It guides you through the exam's format, instilling confidence as you prepare.

But you don't have to be nearing your recertification to benefit from the expert authors and question-based format. PEERcert+ is broken down into topic modules that will help you be a better physician every day with the current best practices in patient care.

MODULES

- Abdominopelvic
- Abnormal Vital Signs and Shock
- Head and Neck
- Nontraumatic Musculoskeletal
- Neurology
- Social and Behavioral Health
- Thoraco-respiratory
- Trauma and Bleeding

Member Cost:
\$159/per module

PEERcert+

Train. Test. Thrive.

acep.org/peercertplus

Gain Confidence in Advanced Ultrasound

ABEM is now offering a Focused Practice Designation (FPD) in Advanced EM Ultrasonography. Get all the resources to prepare and succeed on the FPD exam with an Advanced Ultrasound module from ACEP.

Member cost: \$199

“Whether you are the doctor working in a large urban academic center, or a community emergency physician working at 3 a.m., what I can promise is ACEP is there for you.”

– Nicholas Cozzi, MD | ACEP Member Since 2018

CLINICAL EDUCATION

Transforming Care at the Bedside

Clinical Policies

ACEP is constantly recalibrating a review of evidence-based literature to ensure you are providing the best possible patient care.

One of the the most valued resources from ACEP, our Clinical Policies are written under the highest standards of national guideline development to offer the most up-to-date clinical management of your patients.

You can feel confident that a committee of experts has reviewed the latest evidence and methodically considered the best practice grades for recommended treatment. Our newest clinical policies include:

- Community-Acquired Pneumonia
- Opioids
- Headache
- Non-ST-Elevation Acute Coronary Syndromes
- Acute Venous Thromboembolic Disease

Your Voice Matters!

Need a specific map for a particular patient presentation? ACEP's Clinical Policies Committee strives to be responsive to your most urgent questions.

EM Experts are Always On Call with the Online Learning Collaborative

Your path is for your steps alone. And only you know what you need, when you need it. ACEP is here with a variety of webinars and online resources that can fulfill your state CME requirements, allow you to brush up certain clinical skills, and know more about the unique challenges and opportunities of being an emergency physician.

With **more than 750 hours of content**, ACEP's Online Learning Collaborative (OLC) has what you are looking for. Some courses are free, some have a fee, and most have *AMA PRA Category 1 Credit™*.

acep.org/olc

"There's a lot for me to learn from what clinicians are doing across the country and what we can do to do better."

– Gillian A. Beauchamp, MD | ACEP Member Since 2008

Membership Matters

CME Tracker: A Valuable Tool

Concentrate on patient care, not paperwork. ACEP's CME Tracker keeps all your certificates in a secure repository whenever you need to access it. This members-only benefit also provides a gap analysis of your specific requirements.

2022 Educational Meetings

Lifelong Learning

“Conference attendees want to learn a few things that they’re going to be able to take back and immediately use in their practice. I try to focus more on what are the simple and very practical take-home points that during your very next shift, you’re going to be able to use.”

– Amal Mattu, MD, FACEP | ACEP Member Since 1992

Meetings

Road trips are always better with someone else along for the ride. Learning can be the same way – sometimes having another live person in the same session can lead to conversations, questions, and confidence.

Live educational meetings offer experience beyond just the CME hours. It’s the hallway conversations. The exhibitor shows you the right tool at the right time. The friends who reaffirm your love of the specialty.

CAREER TOOLKIT

For many, job hunting and job security has been a sea of choppy waters lately. As your career continues and perhaps takes you adrift or you choose to follow an unexpected current, ACEP has always supported your right to make your own decisions regarding employment type.

Weather the Storms

“ACEP rejuvenates me because I get to the point where I think, ‘what am I doing this for?’ It’s so nice to be around folks that have the same experiences as I do and feel the same things . . . ACEP reminds me of why I chose this profession in the first place.”

– Katrina Renee Wade, MD | ACEP Member Since 1999

CAREER TOOLKIT

A Trusted Partner for Your Career Journey

ACEP has been answering the call for employment transparency in a three-pronged approach.

We recognize that the diversity of our membership calls for diverse practice models.

ACEP wants to clarify the conversation about employers and various leadership models, while we stand firm in our support of best practices regardless of the group structure.

Access to the Best Resources

From residency to retirement, and everything in between, you'll find what you need at the ACEP Career Center, including:

1

Protecting the Workforce

ACEP is committed to leading the charge that calls on all of us within emergency medicine to work together to evolve our profession so we can provide the best possible care for our patients. Get updated at acep.org/workforce.

Find Your Next Position

Get quick access to job opportunities through a vetted job board at emCareers.org. Not only do ACEP members get access to a job board filled with hundreds of career opportunities, you can also have your CV reviewed by leaders in emergency medicine and set up job alerts to help find your dream position.

Negotiate Like a Boss

An Employment Contract Checklist will help negotiate the components that matter most to you, including non-compete clauses, family leave, partnership and more. Get top tips from a related webinar, "Standard Contract Precautions: Identify Employment Contract Pitfalls" from ACEP's Young Physicians Section.

Reduce Your Risk

Emergency physicians are affected by many ethical and legal considerations. For help navigating these murky waters, visit acep.org/ethics-legal.

Catch Up on Salary Trends

Each year, *ACEP Now* provides a Compensation & Salary Report that analyzes EM trends by state, region, setting and other variables at acep.org/salary-resources.

Secure Your Finances

Whether you have questions regarding student loans, investing, or retirement planning, you'll find helpful resources from leading experts. Access a searchable database of CERTIFIED FINANCIAL PLANNER™ professionals who can work with you to meet your goals. For emergency medicine-specific financial needs, you can find several resources from James M. Dahle, MD, FACEP, a.k.a. the White Coat Investor. Find out more at acep.org/finances.

Use ACEP's Member Wellness & Assistance Program

ACEP members get three free confidential crisis support or coaching sessions. Access professional counselors 24/7 by phone, text, or chat. For a small additional fee, the program offers legal and financial assistance. Find out more about this exclusive benefit at acep.org/wellness.

acep.org/careers

Support from the Strongest Policies

ACEP has continued our emphasis on defining core principles and standing for accountability with all employers. ACEP recently adopted and reaffirmed the following policies:

- **Compensation Arrangements for Emergency Physicians**
- **Emergency Physician Compensation Transparency**
- **Emergency Physician Contractual Relationships**
- **Emergency Physician Rights and Responsibilities**
- **Providers of Unsupervised Emergency Department Care**
- **Guidelines Regarding the Role of Physician Assistants and Nurse Practitioners in the Emergency Department**

2

CAREER GUIDE

A Trusted Partner for Your Career Journey

A Pathway to Employer Transparency

ACEP is working to create greater transparency with all those that employ or contract with emergency physicians in an effort to showcase best practices and physician-friendly policies.

The online employer profile database, free for ACEP Members, details

- employer attestation to ACEP's policies
- the group's governance structure
- the group's transparency of their billing practices
- the group's ownership model

ACEP Members
can access the database at
acep.org/employerprofile

3

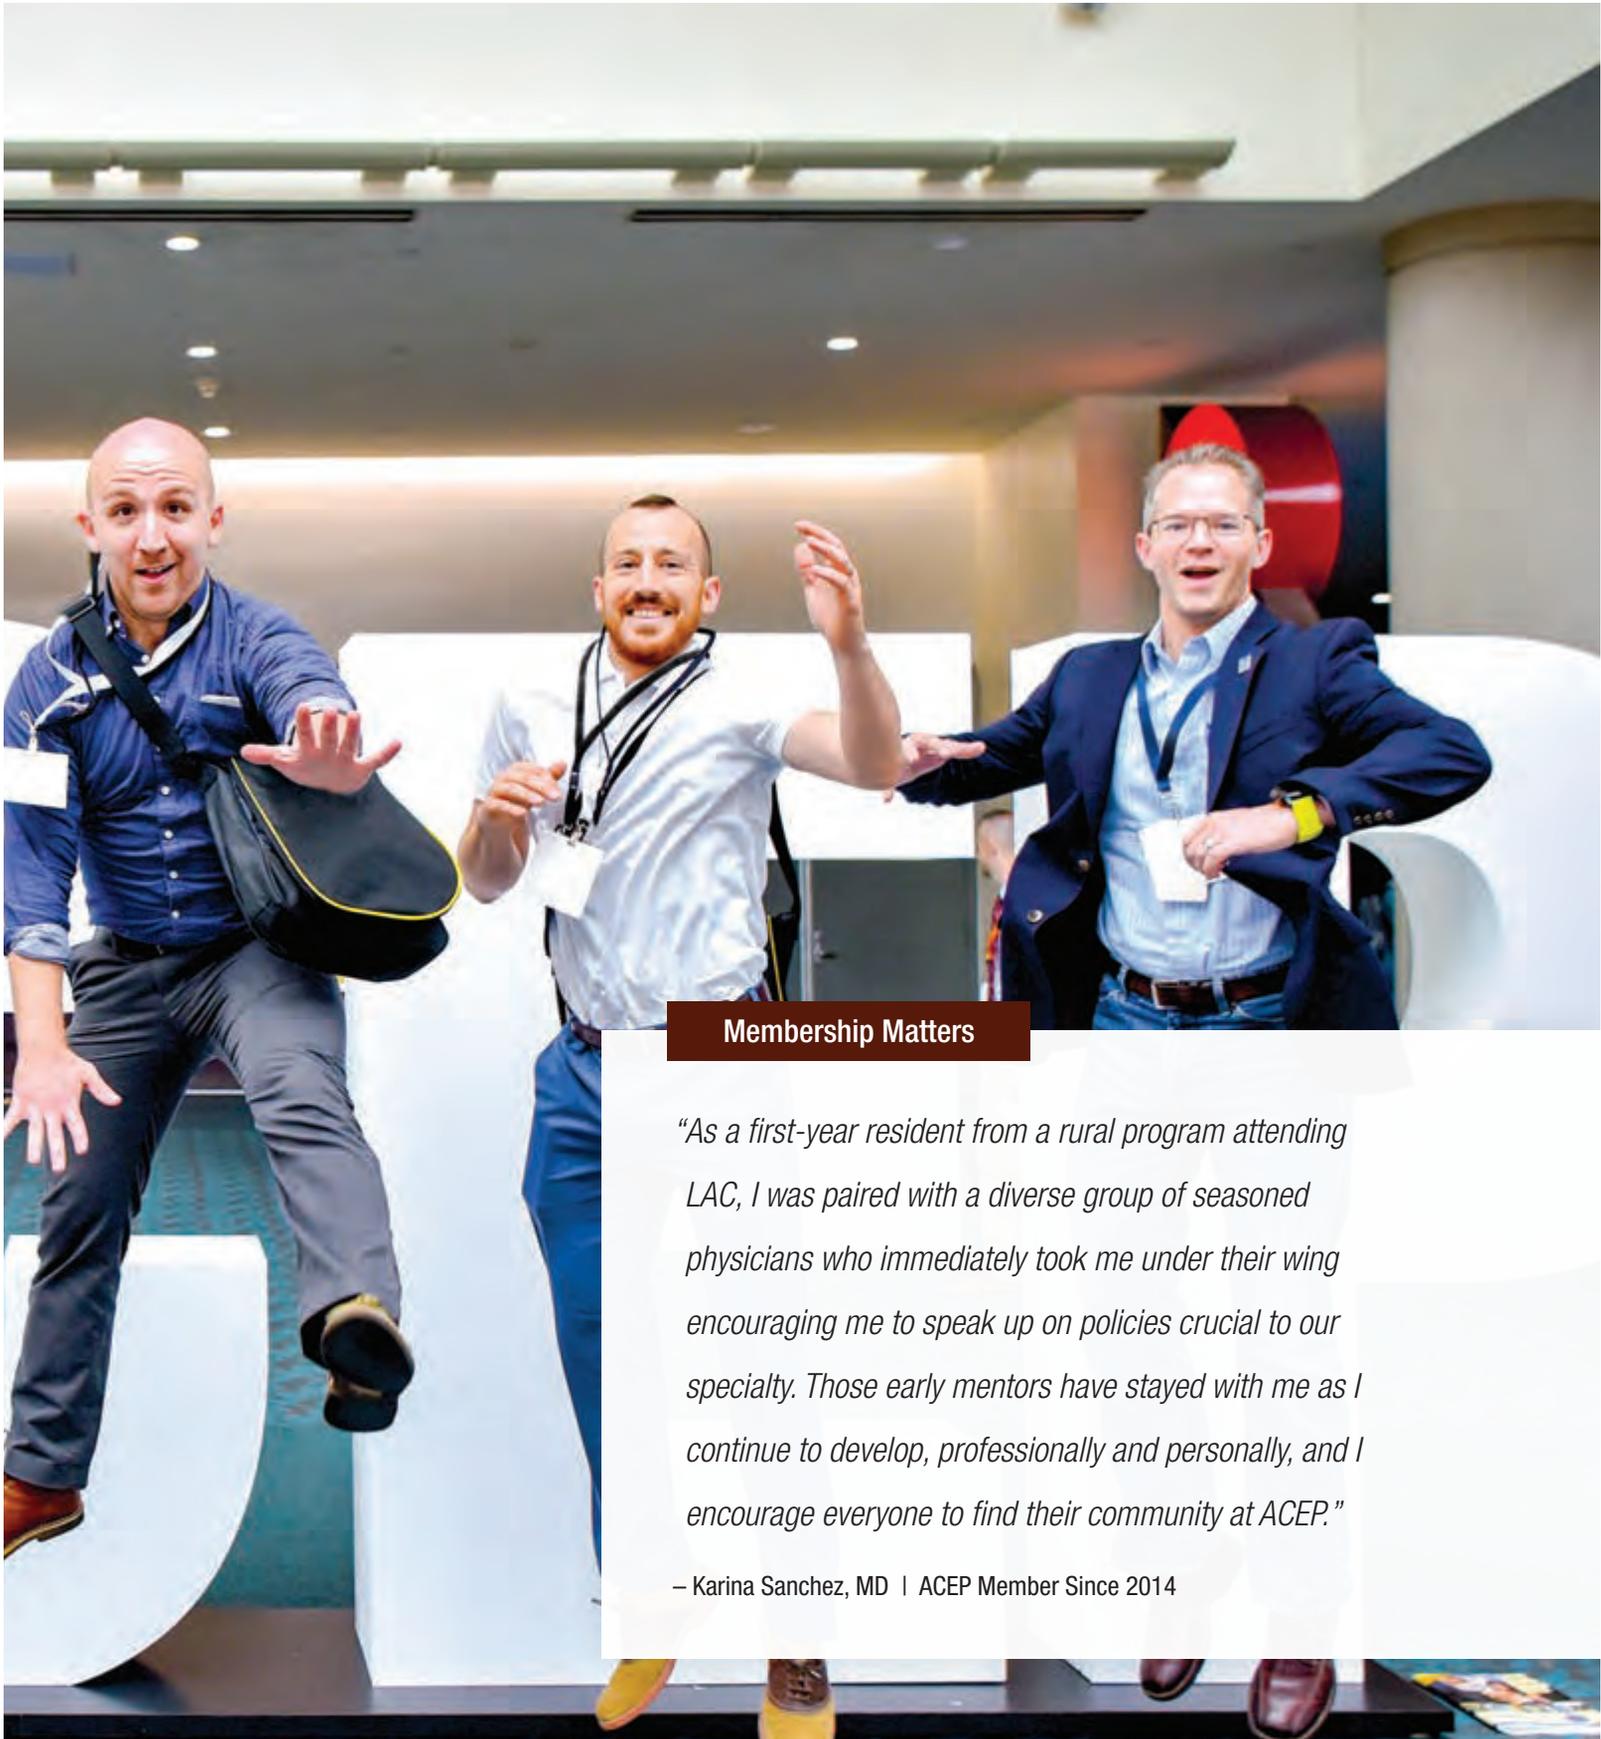

25

All those late nights preparing for your boards, writing and rewriting your ERAS, practicing your interview skills, and stressing over your rank list paid off.

It's tough, but you were built for this. It is why you chose EM in the first place. Just like you're there supporting your community, ACEP is here to support you.

More than just CME hours and resources, ACEP is a community of diverse emergency medicine professionals where you can always find a home.

Membership Matters

“As a first-year resident from a rural program attending LAC, I was paired with a diverse group of seasoned physicians who immediately took me under their wing encouraging me to speak up on policies crucial to our specialty. Those early mentors have stayed with me as I continue to develop, professionally and personally, and I encourage everyone to find their community at ACEP.”

– Karina Sanchez, MD | ACEP Member Since 2014
