The Emergency Quality Network ended the year with engaging over 1,000 EDs nationwide in the learning collaboratives. **Across all E-QUAL collaboratives over 2,500 Improvement Activity (IA) credits** were earned for the CMS Quality Payment Program for 2019.

Top Five IAs Earned:

1. Use of decision support and standardized treatment protocols

3. Implementation of formal QI methods or practice improvement processes
4. Leadership Engagement in practice improvement
5. Engage patients and families in a system of care

To celebrate success, the E-QUAL Network developed the E-QUAL Honor Roll to recognize emergency departments which have completed participation in an E-QUAL learning collaborative for exceptional performance.
