- IV. Council Report** **Dr. Herman / Dr. Doyle**
- V. Discuss Goals for New Year** **All**
The Section discussed its current goal of identifying the ‘middle’ career pathways that occur between the Young Physicians Section (YPS) and Exploring Retirement Section demographics. The Section’s leadership requested to set up a Careers in EM Rejuvenation meeting with the YPS and Exploring Retirement Section leaders to discuss how we can create a more unified approach to how ACEP supports its members throughout their EM careers. Meeting objectives discussed, but are not limited to:
- Identify the ‘middle’ career pathways – Survey
 - Create/match resources to each pathway
 - Succession planning
- VI. Adjourn**
With no further business the meeting was adjourned at 8:35 a.m. ET.
