**Major items discussed:**

1. Dr. Melissa Costello opened the meeting and thanked all for attending. She thanked and recognized Medtronic and Pulsara for sponsoring the section luncheon and providing the educational presentations for the meeting.
2. Dr. Rebecca Parker presented the 2016 Outstanding Contribution in EMS Award to Dr. Juliette Saussy.
3. ACEP Past President Dr. Jay Kaplan attended the meeting and spoke to the group. He addressed the issues surrounding the recent ACEP Press Release regarding gun violence and police shootings. Dr. Kaplan apologized for any concerns the initial press release caused and explained a new procedure that had recently been put in place to prevent this from occurring in the future.
4. Dr. Debra Perina, Section Board Liaison, thanked the section on behalf of the Board for their strong work for the College in EMS.
5. Dr. Gina Piazza provided a report on the ACEP Council meeting including a resolution regarding Naloxone use and transition of military medics to civilian EMS careers.
6. Dr. Doug Kupas presented a summary of the recent National Academies of Sciences, Engineering, and Medicine project on Military and Civilian Trauma Systems and shared the recommendations contained in their Final Report.
7. Dr. Michael Mestek provided the Medtronic presentation on Respiratory Compromise: Preventing the Preventable.
8. Dr. James Woodson provided the Pulsara presentation on Building a Regional System of Care for Time Sensitive Emergencies.
9. There being no further business the meeting adjourned at 2:30 pm.
